II. Legal Report:	a. <u>Status of Foreclosure Cases:</u>	Legal counsel reported briefly on the status of the foreclosure referrals from GHC and provided the Board a copy of legal counsel's updated written report documenting the status and action for each account as of August 28, 2019. Legal counsel reported that there are 15 active and pending foreclosure accounts as of August 28, 2019: GHC-007: Debtors have paid all past due pre-petition arrears and continue to make their monthly payments to GHC. Legal counsel will continue to monitor debtors' Chapter 13 Bankruptcy action. GHC and has scheduled the sale for September 19, 2019 at the Yigo Mayor's Office. Legal Counsel reported that due to certain liens contained on the property, GHC must move forward with the sale to clear out all junior lien holders on the property.

GHC-16: GHC and debtor orally agreed to a loan modification prior to the completion of debtor's Chapter 13 Confirmation Plan, however, debtor has now refused to execute the modification agreement prepared by GHC's Legal Counsel. GHC filed an objection to the US Trustee closing the Chapter 13 bankruptcy case and the parties are still awaiting the Court's decision regarding the objections closing the case.

GHC-46: Debtor fell behind on his loan workout agreement and is now 6 months in arrears. Legal counsel re-initiated foreclosure action and issued a demand letter to debtor on July 18, 2019. Debtor failed to respond to both the Notice to Cure and Notice of

<p>III.</p>	<p>Old Business:</p>	<p>a. <u>Status of Pending OREO Properties:</u></p> <p>i. Dededo Property. The President reported that the right of redemption has expired and the former borrowers did not exercise their right to redeem the property. GHC will list the property for sale and has posted this listing on GHC's website.</p> <p>ii. Yona Property. The President reported that GHURA is coordinating an inspection of the property with the power and water turned on prior to</p>		<p>President/ Management</p>	<p>President/ Management</p>	<p>PENDING SALE</p> <p>PENDING SALE</p>

making an offer. The President is also researching on the necessary capital to invest in the property to renovate and sell the house and will secure an estimate on the costs to rehabilitate the property. GHC Manager stated that GHC has an MOU with GCC for the Lada units and suggested that they work on the rehab of the Yona property. The Chairman expressed concerns with GCC and suggested that GHC inquire with the contractors. The Chairman indicated that a contracting company will only need a staff of 3 to 4 workers to do the repairs. Vice-Chairman Flores also recommended that GCC conduct an assessment of the repair work for the property.

	<p>Resuming Board meeting on September 5, 2019. Upon Motion made to Amend Agenda under Old Business to discuss and clarify information of the August 2, 2019 Board Meeting related to GHC's FY2020 Budget and the Status of Odoo Software Program, and seconded, and without any further objections, the Motion to Amend the Agenda passed.</p> <p>b. <u>Clarification of Information regarding GHC's FY2020 Budget:</u></p> <p>The President previously reported on the highlights of the FY 2020 Budget. After the meeting and in consultation with Legal Counsel regarding further research related to GovGuam's policy and regulations related to employment, personnel and compensation, the President provided clarification of GHC's staffing pattern. According to the President, GHC previously had a staff of over 60 personnel however, throughout the years and due</p>	<p>Based on clarification and information presented by the President related to GHC's FY2020 Budget, upon Motion made by Director Mantanona, and seconded by Director Tiong, and without further objections, the Board ratified approval of the FY2020 Budget related to the positions for GHC.</p>	<p>President/ Management</p>	<p>President/ Management</p>	<p>APPROVED</p>

to economic and financial resources, the Corporation has reduced its staff to under 25 personnel leaving certain positions vacant and unfunded):

- i. Management has funded a Planning and Development Administrator with GHC's staff. This position has remained vacant and unfunded for many years. The justification for funding this position is there are many projects happening with the Corporation and GHC will need to take the lead on these programs such as the Homeless program. The Planning Administrator will also assist with GHC's 5 to 10 year strategic planning for the Corporation. GHC, however, will continue to have the Quality Assurance position remain vacant and unfunded. Currently,

approvals for rental or loan applications, foreclosure action, and for procurement go through a committee for review. This process addresses the issues related to quality assurance and compliance. GHC has received positive feedback from the auditors regarding this process.

ii. Loan Division:

1. Management has 2 Loan Officer positions but will only be funding 1 Loan Officer position until it becomes necessary to fund the other Loan Officer position. (Management will not be funding GHC's Loan Tech position and this position will remain vacant);

2. Management will fund 1 of 2 Collection Agent positions. The other Collection Agent position will remain vacant and unfunded until it becomes necessary to be funded. The Collection Agent will also work with rental collections and eventually will become its own division at some point.

iii. Administration Division:

1. Management will be seeking a re-classification of the Administrative Secretary position. The reason for the reclassification of this position is because the current individual has been performing additional duties and responsibilities

		<p>related to the position of an Assistant with the Corporation and the Board. The reclassification of this position will require a desk audit which will be conducted by DOA or other human resources department of the government of Guam. In the interim, GHC Management will budget for this reclassification position in the event that DOA or other human resources department of the government of Guam determines that the position should be reclassified;</p> <p>2. Management has budgeted to fund an ASO position.</p>				
--	--	--	--	--	--	--

This position is currently vacant. This position may be filled at a later date. Currently, the ASMA is the Acting ASO. Management will budget to increase pay for the ASMA while serving as Acting ASO up to the 120 days authorized by law.

iv. Accounting Division:

1. Accounting Tech Supervisor will be leaving soon. GHC will not fund this position and the position will remain vacant. Instead, Management will fund an Accountant I position which has been a vacant and unfunded position with GHC.
2. Training will start with the accounting staff for transitional purposes. GHC

Management will be seeking a re-classification of the Accounting Tech I position. The reason for the reclassification of this position is because the current individual has been performing additional duties and responsibilities of an Accounting Tech II due to the increase of accounting and other financial duties of the Corporation. The re-classification of this position will require a desk audit to be conducted by DOA or other human resources department of the government of Guam. In the interim, GHC Management will budget for this reclassification position in the

		<p>event that DOA or other human resources department of the government of Guam determines that the position should be reclassified.</p> <p>Based on the above clarification of information, the President stated that there are no new positions created based on the Corporation's FY 2020 Budget. Copies of the positions to be funded under the FY2020 Budget were provided to the Board for review.</p> <p>c. <u>Status of Odoo Software Program:</u></p> <p>Vice Chairman Flores stated that he and the Manager met on September 4, 2019 to discuss the issues related to the Odoo Software. According to the Vice Chairman, this program was purchased in 2017. GHC has met with the vendor numerous times to address the software</p>		<p>President/ Management</p>	<p>President/ Management</p>	<p>PENDING</p>

		<p>problems. Currently, GHC maintenance staff has had difficulty getting past the screen that is intended for accounting. Also, the RFQ requires that the software allow for multi-users, however, the current software allows for only 1 user. Based on these ongoing issues, Vice Chairman Flores expressed much disappointment with the vendor and recommended that GHC meet with the vendor and give them one (1) week to fix these issues. The President indicated that they will coordinate with the vendor and Legal Counsel to be present at the meeting. The Chairman also inquired as to the cost of the payment of the software and was informed by GHC ASMA that GHC paid \$13,000.00. The Chairman requested that Legal Counsel review the vendor contract and advise GHC of its legal remedies under the Contract.</p> <p>d. <u>Review of Rental/Lease Agreement Documents:</u></p>		Management	Management	APPROVED
--	--	---	--	------------	------------	----------

		<p>The Board discussed and proposed revisions to the updated Lease documents for the rental division. The revisions included changes to the Lease checklist, application form, House Rules and one section of the Lease Agreement.</p>	<p>Upon motion made by Director Mantanona, and seconded by Director Tiong, and without any further objections, the Board approved the updated Lease Agreement documents and updated Service Fees subject to the modifications proposed by the Board members.</p>			
IV.	<p>New Business: None</p>					
V.	<p>President's Remarks:</p>	<p>The President briefly reported on the following matters on August 28, 2019:</p> <p>a. <u>Updated Lease/Rental documents for Rental Division:</u></p> <p>Legal counsel has prepared the Lease Agreement documents to be utilized by the Rental Division. In addition to the updated service fees, Legal counsel has included fees related to small claims actions and process server fees. The Chairman expressed that his primary concern of the lease includes the due date for rent and a provision to recover</p>	<p>The Board addressed updated lease agreement documents and provided comments related to the documents during the reconvened Board Meeting on September 5, 2019.</p>			

damages caused by tenant and that the tenant will be responsible for paying the cost of the damage. The Chairman also recommended that the lease include penalties in the event that the tenant fails to maintain their yard. GHC will hire a contractor to clean the tenant's yard and assess the costs to the tenant. The President responded by issuing an RFP for contractors to submit bids for yard maintenance.

b. Odoos Software Status: The President reported that the software is not up and running. Management has encountered problems with software due to the inability to utilize the program with multiple users. Vice Chairman Flores commented that the vendor should address this problem. GHC Manager indicated that she would schedule a meeting with her Maintenance Supervisor and the Maintenance Division to address the software

issues. The Chairman suggested that 1 to 2 people have access to the Odoo Program which should be the President and Manager and the inputting of data will be helpful to manage its inventory.

c. Delinquencies: The President continued to express concerns regarding the Corporation's delinquencies, but is working on their collection efforts for both rental and the loan division. Vice Chairman Flores also expressed concerns regarding the delinquencies. The President stated that tenants are being removed from the rental units due to violation of the rules and because the units are being renovated. GHC Manager reported that they have 40 pending applications on file and GHC averages 2 units per month for completion and occupancy. The President

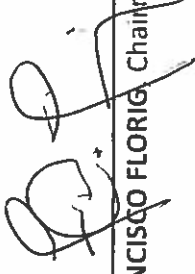

VI.		<p>also stated that they are working on GHURA compliant tenants. The Chairman proposed that GHC prepare an action plan to secure 10 to 15 units with GHURA compliant tenants, however, GHC Manager express caution with this plan since the Corporation cannot charge a GHURA tenant higher than their non-GHURA tenant. GHC can only charge a higher rate for upgraded units. The President stated that GHC will continue to repair and refurbish units for rental. GHC also did a full accounting and inventory of its supplies last July and hopes to upload the data into the Odoo program.</p> <p>The President also provided a written report regarding additional information of the ongoing details and activities of GHC from August 2, 2019 to August 28, 2019 for the Board's review.</p>				
VI.	Reports: None.					

VII.	<p>Public Participation:</p> <p>On August 28, 2019, Daniel Del Priore requested to be addressed related to GHC-012 which is has been referred to Legal Counsel as a foreclosure issue. Legal Counsel objected to Mr. Del Priore discussing the case due to privacy and confidentiality issues. Legal counsel recommended that the Board not entertain Mr. Del Priore's request to discuss this matter since it has been referred to Legal Counsel and unless Mr. Del Priore have the debtor's counsel be present and debtor execute a waiver to allow the debtor's counsel to discuss the details of the</p>	<p>The Board declined to address Mr. Del Priore's request and referred further action on this matter with Legal Counsel.</p>		GHC BOARD	GHC BOARD	DENIED

<p>VIII.</p>	<p>Miscellaneous: On August 28, 2019, the President extended a personal invitation to all Board Members to attend GHC's Labor Day Picnic on Sunday, September 1, 2019, at Ypao Beach and thanked the Board Members for their contribution to the Labor Day Picnic.</p>					
<p>IX.</p>	<p>Adjournment:</p>		<p>Upon motion made, and seconded, and without further objections, the Board meeting was recessed at 9:55 a.m. to September 5, 2019 at 8:30 a.m. The recessed Board Meeting resumed on September 5, 2019 at 8:56 a.m. Upon motion made and seconded, and without any further objections, the meeting adjourned at 11:37 a.m.</p>
